

TOWN OF LOMA LINDA, MISSOURI

BILL NO. 23-001

ORDINANCE No. 99-009

AN ORDINANCE CONCERNING THE STREETS AND SEWERS FOR
THE TOWN OF LOMA LINDA, MISSOURI

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF LOMA LINDA,
MISSOURI AS FOLLOWS:

STREETS AND SEWERS
SUBCHAPTER A

- 26.010 Appointment of and general duties of the Streets and Roads Committee. The Board of Trustees shall appoint a Streets and Roads Committee. The Streets and Roads Committee shall be the directing and operating head of and in charge of the employees, buildings, equipment, tools, stocks of materials and property of the Department of Streets and Roads. The Streets and Roads Committee shall, subject to any direction by the Board of Trustees given in reference thereto, direct the work of the opening, maintaining, cleaning and repair of all streets, alleys, sewers, drains, bridges, sidewalks, parkways, lawns, and public places in the Town of Loma Linda. The Streets and Roads Committees shall make inspections and see that the streets, alleys, sewers, drains, bridges, sidewalks, parkways, trees, lawns and public places are maintained and kept in good condition and free from obstructions and defects which might impair their free and open use by the public or result in injury to persons or property. The Streets and Roads Committee shall as directed by the Board of Trustees or as required by Ordinance, erect and maintain all street signs, traffic signs and markings. The Streets and Roads Committee shall select a Chairman and may also select a Vice-Chairman and Secretary as officers.
- 26.020 Shall close off Streets - when, When any defect or obstruction exists in any street, alley, bridge, sidewalk, parkway, lawn or public place which cannot be at once repaired, removed or corrected; and which might result in injury to any person or property on or using the same, or when any street, alley, bridge, sidewalk, parkway, lawn or public place or part thereof is out of condition for use by reason of its being under construction, reconstruction, resurfacing or repair or any other cause whatsoever, it shall be the duty of the Chairman or the Streets and Roads Committee to see that said street, alley, bridge,

sidewalk, parkway, lawn or public place or part thereof at which such defect or obstruction exists be at once closed off by adequate barricades of sufficient size in the day time and sufficient light at night to warn the public of the existence of such defect, obstruction or bad condition so as to avert injury to persons or property. The Chairman or the Streets and Roads Committee shall notify the Gatekeeper contractor and any security officer of the Town of Loma Linda of any such condition.

- 26.030 May employ help in emergency. The Chairman or the Streets and Roads Committee shall have power in emergencies to employ help in the performance of any of its duties until the next regular meeting of the Board of Trustees and shall certify to the Board the wages agreed to be paid such employees for approval and payment.
- 26.040 To report to Board of Trustees. The Chairman or Vice-Chairman of the Streets and Roads Committee shall attend all regular meetings of the Board of Trustees unless excused by the Chairman of the Board of Trustees and shall also attend other meetings when requested by them to do so. The Chairman or the Vice-Chairman shall report to the Board of Trustees on the work of the Committee and any needed work to be done with the Committee's recommendation thereon and a formal or informal estimate of the cost of the work as may be appropriate.
- 26.050 To enforce ordinances. The Streets and Roads Committee shall perform such other duties as may be required by Law or Ordinance or as directed by the Board of Trustees and shall see that the directions of the Board and all Ordinances relative to streets, sewers, alleys, bridges, drains, parkways, lawns and public places are obeyed and enforced.
- 26.060. Regulations as to streets and sidewalks; obstruction of street - when unlawful - Penalty It shall be unlawful for any person to deposit or permit to remain on any highway, street, alley, sidewalk, parkway, lawn or public place except by street use permit as herein provided, any building material or equipment, rubbish, offal, debris, dirt piles, materials of any kind, chattels or property which might obstruct the free use thereof, or hinder traffic of persons or vehicles, provided that if through necessity an obstruction of the nature described is placed thereon, the person responsible shall be relieved of the penalties of this Section if said person removes the same without unnecessary delay and places red lights on or around said obstruction, plainly visible in all directions, between the hours of sunset to sunrise while said obstruction so remains. Any person violating any provision of this Section shall be deemed guilty of a misdemeanor.

- 26.070 Unlawful extent of obstruction - a misdemeanor. It shall be unlawful for any person to obstruct or occupy with building materials or equipment, dirt piles, articles or materials of any kind calculated to prevent free passage or use by the public, more than one-half of any sidewalk or more than one-third of any public roadway, highway or alley, or to in any manner obstruct the free passage of water in any gutter, drain or alley with such materials or articles. Any person who shall violate any provision of this section shall be deemed guilty of a misdemeanor.
- 26.075 Exceptions - to whom and when allowed. Notwithstanding the provisions of sections 26.060 and 26.070 above, the Property Owners Association (POA) shall be allowed to maintain equipment or arms blocking entry gates or fences blocking secondary entry streets on property owned by the POA, that prevents access during certain evening hours until persons seeking access are reviewed by the Gatekeeper contractor who may permit or deny access under the terms of a Gatekeeper contract with the Town.
- 26.080 Street use permit - when required, Each applicant for a building permit for the construction, alteration or repair of any building or structure may be required by the Building Inspector, before such permit is issued, to make a cash deposit to insure that all building materials and debris occupying any street, alley, sidewalk, parkway, lawn or public place in connection with the work will be safeguarded as required by this Article and promptly removed, that all damages, including cuts in streets and sewers will be compensated for, the provisions of this Article complied with and conditions restored equal to that existing prior to the commencement of the work. Said deposit shall be refunded after this Section has been complied with. The amount of such deposit shall be not less than \$250.
- 26.090 Street use Permit - information - repairs - fees. The Building Inspector shall inspect the streets, alleys, sidewalks, parkways, lawns or public places abutting the premises and location specified in the application for building permit before the work is commenced and after it is completed, and if the contractor or person responsible does not within twenty-four (24) hours after being notified to remove obstructions and make repairs and restoration to a satisfactory pre-construction condition, the Building Inspector shall request the Streets and Roads Committee to open and clean out any gutter, drain, street, inlet or manhole that may become obstructed by building materials, debris, articles or materials of any kind and to repair any damage to said street, alley, sidewalk, curbing,

gutter, drive, lawn, parkway or public place, and the cost thereof shall be deducted from the deposit, together with an inspection fee of twenty-five (\$25.00) dollars.

- 26.100 Grass and weed control - penalty. Owners, tenants, occupants, or agents who rent, own, or manage property, whether vacant or developed, within the environs of the Town of Loma Linda, shall keep sidewalks, driveways, easements, lawns, and vacant lots under their control free of paper, dirt piles, filth, animal or vegetable refuse, or any substance or article that can be considered a public nuisance and shall keep grass and weeds under control by mowing at reasonable intervals. Where buildings are occupied by more than one tenant, it shall be the duty of the person or persons occupying the tenement or tenements to comply with the requirements of this Section. Any person violating any provision of this Section shall be deemed guilty of a misdemeanor.
- 26.105 Littering prohibited - penalty. It shall be unlawful for any person to discard, or place any litter, debris or garbage upon any street, alley, sidewalk, public or private property. Trash containers shall not be put out near the streets, alleys, sidewalks; whether public or private property, any sooner than 12 hours prior to the scheduled pickup. Any person violating any provision of this Section shall be deemed guilty of a misdemeanor.
- 26.110 Foreign Substances on Streets and public ways prohibited - penalty. It shall be unlawful for any person to cause or permit to be placed, thrown from a vehicle, leaked or spilled or otherwise deposited upon the pavement or surface of any street, sidewalk, alley or public place, any liquid asphalt or any substance, liquid or material which might thereby be calculated to endanger, impede or inconvenience the movement of vehicles or pedestrians or render the surface of such street, sidewalk, alley or public place rough or uneven. Any person violating any provision of this Section shall be deemed guilty of a misdemeanor.
- 26.120 Use of closed street - a misdemeanor. It shall be unlawful for any person to use any street or highway, or part thereof, which has been withdrawn from use by the public, or to drive or attempt to drive any vehicle thereon, or to remove or destroy any barricade, warning light or sign placed upon said street or highway or around or upon any obstruction or defect thereon as a protection or warning to the public. Any person who violates any provisions of this Section shall be deemed guilty of a misdemeanor.

- 26.130 Enforcement on public ways - duty of the Streets and Roads Committee. Whenever it shall come to the notice of the Streets and Roads Committee that any street, alley, highway, sidewalk, lawn, parkway, or public place which has been dedicated or established according to law, is in any manner obstructed or encroached upon, the Committee shall present the matter to the Board of Trustees and accompany such notice by a plat showing the location and extent of such obstruction and/or encroachment, and any such encroachment or obstruction shall be declared to be a nuisance.
- 26.140 Board of Trustees may order removal - duties of Town Attorney - execution of order. The Board of Trustees, upon receiving notice from any source whatsoever, that any such encroachment or obstruction exists, may order the same removed, and may instruct the Town Attorney to prepare a written order for the removal of same, which order shall be signed by the Chairman of the Board of Trustees and the Town Attorney, and directed to the appropriate Town official who shall at once proceed to execute the order.
- 26.150 Notification to owner of property. Upon receipt of any signed order, as provided in paragraph 26.140, the designated Town official shall give to the recorded owner or owners of the real property fronting or abutting upon such encroachment or obstruction (and also to the occupant or occupants, if any be found thereon) at least five (5) days notice in writing to the effect that if said encroachment or obstruction is not removed by the time specified in said notice, that the same will be removed by the Town at the cost and expense of said owner or owners and that a special tax bill will be issued therefor.
- 26.160 Notice to be served - how. If after diligent search and inquiry, the Town's representative is unable to find the recorded owner or owners of said real property, or any of them, said representative shall immediately serve such notice by publication in at least one issue of some newspaper published in Newton County, and the notice when so published shall be directed to all owners of said property who are known or unknown and shall contain a legal description of the property belonging to recorded owners who are absent or unknown.
- 26.170 Removement of encroachment - when. If upon the expiration of the time specified in the notice, the obstructions or encroachments are not removed, the Town shall cause same to be removed and the expense of such removal shall be advanced from the general revenue fund of the Town.

- 26.180 Tax bill to be issued against property. As soon as the entire expense incident to such notice and removal has been ascertained, an itemized account of the same shall be filed by the Streets and Roads Committee with the Town Treasurer and the entire cost thereof shall be assessed by the Board of Trustees by Ordinance in favor of the Town of Loma Linda and against the property fronting or abutting upon such encroachment or obstruction, pro-rated, and special tax bills shall be issued therefor by the Town Clerk and delivered to the Town Collector for collection.
- 26.190 Damage to public property - misdemeanor. It shall be unlawful for any person to injure or damage any sidewalk, curb, gutter, lawn, parkway, public place, pole, post, light, standard or fixture, sign, property or fire plug on any public street, highway or alley, by driving a vehicle upon, against or over or by cutting, breaking or otherwise damaging the same. Any person who violates any provision of this Section shall be deemed guilty of a misdemeanor.
- 26.200 Hauling or driving across sidewalk or curb - permit - deposit and fees. It shall be unlawful for any person to haul any materials or to drive any truck, automobile or vehicle across any sidewalk, lawn, parkway, curb or gutter in the Town of Loma Linda without a permit therefor from the Streets and Roads Committee. No such permit shall be issued unless the applicant therefor shall make a deposit of Fifty Dollars (\$50) with the Streets and Roads Committee to insure that no damage shall be caused to the sidewalk, curb, gutter, lawn, parkway or to any pole, sign or property thereon in connection with such hauling or driving. The Chairman of the Streets and Roads Committee shall inspect the location where such hauling is to be done and after the work is completed shall restore and repair any damage or loss caused thereby, the cost therefor, together with an inspection and permit fee of Five Dollars (\$5.00), shall be deducted from the deposit and the balance returned to the person who paid the deposit. The Streets and Roads Committee shall keep a permanent record of deposits and deductions and shall pay over to the Town Treasurer the "inspection and permit" fee.
- 26.210 Posting bills on poles. etc. - unlawful - misdemeanor. It shall be unlawful for any person to stick, post, or place upon any house, fence, wall, post or other structures within the Town of Loma Linda or upon private property any advertisement, bill, sign, poster, or device of any kind, without having first obtained written permission of the owner of private property therefor, and it shall be unlawful for any person to paint, paste, post, place or affix any advertisement, bill, placard, poster, sign, or device of any kind, upon any

tree, pole, post, hydrant, bridge, or any structure upon any public street, sidewalk, alley, parkway, park, or other public place, in the Town of Loma Linda, provided however, that nothing herein shall apply to any notice required by Law or Ordinance to be posted, or to any official notice by public officers or real estate "For Sale" signs. Any person violating the provisions of this Section by doing the acts therein declared to be unlawful shall be deemed guilty of a misdemeanor.

SUBCHAPTER B -- EXCAVATIONS IN PUBLIC STREETS AND HIGHWAYS

26.220 Excavation without permit - misdemeanor. Except in case of public work done by authority of the Board of Trustees no person shall make or cause to be made any opening or excavation in any public street, alley, highway, sidewalk, lawn, parkway, or public place or thoroughfare, without a written permit from the Public Utilities Committee. Any person violating the provisions of this Section shall be deemed guilty of a misdemeanor.

26.230 Application for permit - fees to be paid. Any person having occasion to make any such opening or excavation, shall make written application for permit therefor to the Public Utilities Committee, which shall have authority to issue such permits. The application shall state the location and size of the proposed excavation and by mutual agreement, when the work is to be commenced and finished. If the contractor or permittee does not restore the opening or excavation by the mutually agreed upon date the Public Utilities Committee may restore the opening or excavation and deduct the cost from the following permit fees. Permit fees shall be paid to the Public Utilities Committee before such permit is issued in amount as follows:

- For each excavation involving disturbance of the pavement of any street, curb, or sidewalk, Ten Dollars (\$10.00) and One Hundred Dollars (\$100. 00) per running foot, and Five Dollars (\$5.00) for an inspection.

The permit fees aforesaid shall compensate for the issuance of permit, inspections, and the restoration of the surface, which work of restoration shall be done by the person or contractor to whom the permit is issued. The Commissioner of the Public Utilities Committee shall inspect the location as may be required and see that the conditions of the permit and the provisions of any applicable Ordinance or Town Code are complied with. The person doing the excavation or excavating shall back-fill the opening with crushed rock and wet it down with water and replace any pavement, all in a good

workman like manner. When the work is completed, and a final inspection reveals that all provisions of this section have been met, the Public Utilities Committee shall thereupon return the One Hundred (\$100.00) dollar deposit to the person or contractor who paid it.

- 26.240 Public Utilities Committee to keep record of permits and pay over monies. The Public Utilities Committee shall keep a full and complete account in a book provided for that purpose, of all permits issued showing the date, party to whom issued, location, and fees received on account thereof, which fees, together with all deposits and monies, shall be turned over to the Town Treasurer when and as received to the credit of the general revenue fund.
- 26.250 Time of application in emergency. The provisions of this Article requiring permit before any work is commenced shall not apply in emergencies where the public safety or welfare is endangered, but such work may immediately proceed, provided, permit is applied for and issued as soon as practicable after the work is commenced.
- 26.280 Duty of Public Utilities Committee. It shall be the duty of the Public Utilities Committee to report any excavation or opening in or being made in any street, alley, highway, sidewalk, curb, parkway, lawn, or public place, and to ascertain whether the provision of this Article have been complied with and arrest shall be made of person violating the provisions hereof and said work shall be stopped until compliance is made herewith.
- 26.290 Excavations safeguards to public - failure is misdemeanor. No person shall make any opening or excavation, with or without permit, in any street, highway, alley, sidewalk, parkway, lawn or public place in the Town of Loma Linda without providing during the progress of the work and until said excavation has been backfilled and the surface restored, barricades around the same as a warning to the public, and between sunset and sunrise, safety lights around said excavation, lighted, and sufficient in number and placed in such manner as to be clearly visible in all directions. Any person violating any provision of this section shall be deemed guilty of a misdemeanor.

SUBCHAPTER C -- PUBLIC AND PRIVATE SEWERS

- 26.300 Public and private sewers defined. A public sewer, as that term is used in this Article, means a sewer which has been laid or built by public funds, or which has been acquired

by the Town of Loma Linda or other political subdivision by assignment from the Loma Linda Property Owners Association dedication or condemnation, or which is laid in the public streets, highways, alleys, easements or public places of the Town. A private sewer, as that term is used in this Article, means a sewer which is not a public sewer as herein defined.

26.310 Buildings and premises to be connected with sewers, as required by all Ordinances and Newton County, Missouri Ordinances, Rules and Regulations and State of Missouri Statutes - violation is misdemeanor It shall be unlawful for any person owning property in the Town of Loma Linda from which sewage, effluent and waste water is emitted, to fail, neglect or refuse to connect said property as may be required by the other Town of Loma Linda Ordinances, Newton County, Missouri Ordinances, Rules and Regulations and State of Missouri Statutes to established sanitary sewer system or line so that said sewage, effluent and waste water will be properly carried away and disposed of, said connection to be made according to the provisions of Ordinance #98-002 and any amendments thereto. It shall be unlawful for the owner of any improved property in the Town of Loma Linda to fail, refuse or neglect to connect the roof water and fresh or rain water which falls upon the buildings and driveways on said property with an available established storm or fresh water sewer system or line if such sewer be available. In the event there is not available to the property owner an established sanitary sewer system or line to properly carry away and dispose of sewage and said property owner shall construct and maintain a septic tank for this purpose. A Sanitary sewer system so designed and constructed shall be adequate to provide sanitary disposal of the sewage or effluent thus handled, and shall be placed into operation only after inspection and approval by the Public Utilities Committee, with regard to design, construction and operation capacity. Any person who violates any provision of this section shall be deemed guilty of a misdemeanor.

26.320 Sewage, effluent or fresh or roof water and deleterious substances - how not to be connected. It shall be unlawful for any person to connect or to permit the flow of any roof water or fresh or storm water to any sewer system or line designed or used exclusively for sanitary, effluent or foul water sewage, or to connect or to permit the flow of any sanitary, effluent or foul water sewage to any sewer system or line designed or used exclusively for fresh or storm drainage unless the flow of such sanitary, effluent or foul water sewage is routed through a septic tank as provided in Section 26.310, so designed as to prevent any deleterious substances, including flammable and explosive substances to flow into any sewers.

- 26.330 Improper connection - notice and hearing. Whenever it shall come to the attention of the Board of Trustees that a violation of the preceding section exists in the Town of Loma Linda, the Board may call a special hearing in the matter, first giving written notice of the time, place and purpose of such hearing to the owner or owners of any property or to the owner or owners of any private sewer or line which is connected in violation of the preceding section. Such notice shall be given at least five days prior to the date of such hearing either in person or by registered mail to the last known address of the owners of the real estate and any party in possession of said real estate.
- 26.340 Order may be made - misdemeanor. If upon such hearing, the Board of Trustees shall find that a violation of said section exists, it may make such order in the premises as will effectively carry out the intent of this article and fix the time within which such order shall be carried out and complied with. When such order has been made and entered in the journal, any person designated therein who shall fail or refuse to comply with the terms of such order shall be deemed guilty of a misdemeanor, and each and every day of such failure or refusal so to comply therewith shall constitute a separate offense.
- 26.350 Board to order sewer improperly connected to be cut off. When any order has been made by the Board of Trustees for any person or persons to disconnect from any sewer line any sewage or drainage improperly connected thereto as provided in this Article and such order has not been complied with, the Board of Trustees may order the sewer or drain line so improperly connected to be cut off or disconnected from the sewer line or system to which it is so connected.
- 26.360 Private subdivision sewers - permit for construction, required. It shall be the duty of every person, firm or corporation owning or promoting the sale of lots in any private subdivision, before commencing the laying or constructing of a sewer or system of sewers in private streets or across private property in said subdivision, and before replacing, reconstructing, or extending any such sewer line or system of sewers, to file with the Architectural Committee a written application for a permit therefor, together with plans, in duplicate, showing the location of such sewer or system of sewers, the size and material of the pipes, the location of the house connection stubs or openings with reference to the lot lines in the subdivision, the nature and character of the easements on or over which the same will be built, the location of the outlet connection for the same and the sewer or other disposal facility to which it is to be connected. Said application and plans, shall also be by the Public Utilities Committee and shall be presented to the

- 26.390 Provisions to apply to replacement, extension, etc. The provisions of this article shall also apply to the construction, reconstruction, replacement or extension of any private sewer or system of sewers in the Town of Loma Linda, except ordinary house connections.
- 26.400 Misdemeanor. Any person being the owner, agent or contractor for any subdivision or of any private sewer or system of sewers who shall violate any provision of this Ordinance shall be deemed guilty of a misdemeanor, and every day said violation shall continue shall constitute a separate offense.

Passed by the Board of Trustees of the Town of Loma Linda, Missouri, this 14th day of June, 1999 after being read two (2) times prior to passage, with copies of the proposed Ordinance being made available for public inspection prior to the time the bill was considered by the Board of Trustees.
